ANTI BULLYING

Statement of Intent

'We are committed to providing a caring, friendly and safe environment for all are children and young people so they can develop in a relaxed and secure atmosphere.

Bullying of any kind is unacceptable in our church youth activities.

If bullying does occur, all children and young people should be able to tell and be confident that incidents will be dealt with promptly and effectively.

This means that anyone who knows bullying is happening is expected to tell the group leaders.'

PHOTOGRAPHY

Our Approach

We will: -

- Endeavour to ensure we have parental consent for images of children and young persons;
- Whenever possible we will focus on the activity rather than the individual;
- Ensure that all featured in photographs are appropriately dressed;
- Manage recorded images responsibly.

SAFEGUARDING COMMITMENT

The Parish Safeguarding Team is working to increase the capacity and expertises within the parish supported by the diocese and following guidance of the National Safeguarding Team.
